RE: GST/HST Exemption

As set out in section 125 of the *Constitution Act of Canada*, Alberta Government is immune from payment of Goods and Services Tax (GST).

As a Government of Alberta entity, the Alberta Gaming, Liquor and Cannabis Commission (AGLC) is exempt from paying GST on purchases of taxable supplies and services.

The AGLC is also not required to pay Harmonized Sales Tax (HST) on purchases in HST-participating provinces.

AGLC's GST number is **12407 2513 RT0001**.

Sincerely yours,
